# QuickBooks Pro 2014: Comprehensive With 140-Day Trial Software

Synopsis

QuickBooks Pro 2014: Comprehensive covers basic and advanced concepts. It includes 140-day trial software bundled with the book, and contains 12 full-color lessons integrating small business case studies. This book is intended for use with PCs only. Our unique approach offers a profoundly different learning experience. The instructional design engages students and makes learning easy and effective. Robust instructor resources reduce prep time and simplify instruction. Solution highlights: Prepare your students for the real world. Students master concepts by working through a progression of exercises. Case studies replicate real-world situations giving your students the experience they need to be successful in today's workplace. Automate grading with eLab Quick Grader. Select assignments can be uploaded to eLab for instant grading and feedback. Manage grades within eLab or integrate with your LMS to manage grades from your standard gradebook. For QuickBooks 2014 versions only. Give your students an edge with certification. Students can take their exams with the confidence that they have mastered material that has been approved for the QuickBooks Certified User Program. Make the connection to accounting principles. Understanding accounting principles helps students grasp why QuickBooks behaves the way it does. Our Flashback to GAAP and Behind the Scenes features explain and visually demonstrate the underlying accounting principle related to the QuickBooks action - in terms a non-accountant can understand.

This book is really great for the class I am taking and will use afterwards as well.

the book was in A1 condition and the contents were 100 % of what was needed

It came on time but there is NO CD attached , it should have one.

In great condition.. Everything I expected thanks
