Great book! I was hoping for some inspiration for the exterior decor. None of that here but the interior ideas are great.

Great photos of different sheds. Couldn’t put it down.

A beautiful book! Inspiring design and personal style; the hardest choice would be deciding which shed to call your own.

Beautiful ideas for a tiny space. Shabby, country, cottage, rustic and vintage. Lots of pics with plenty of eye candy!
Very interesting book, love the ideas. Hope to fix up my "Women's shed" soon.
