Windows 7 For Seniors QuickSteps

Synopsis

Step-by-Step, Full-Color Graphics! Start using Windows 7 right away--the QuickSteps way. Color photos and screenshots with clear instructions make it easy to get up to speed on all the features of this versatile operating system. Follow along and quickly learn how to customize your desktop, manage files, connect to the internet, use email, add hardware and software, print documents, and secure your system. You'll also get tips for using Windows 7 to work with your photos, play music, and make movies. Written by a senior for seniors, this practical, fast-paced guide helps you get the most out of Windows 7. The unique, oblong layout of the QuickSteps series mimics your computer screen, displays graphics and explanations side by side, and lays flat so you can easily refer to the book while working on your computer. Use these handy guideposts: Shortcuts for accomplishing common tasks Personal insights from other seniors Need-to-know facts in concise narrative Helpful reminders or alternate ways of doing things Bonus information related to the topic being covered Errors and pitfalls to avoid

Customer Reviews

Need to find your way round an operating system. This book with it's simple easy to read style makes what seems originally difficult tasks, easy to complete. Good clear instructions with high quality pictures throughout. Suitable for any age to accomplish what they need out of their windows 7 software.

I'm 64 and not a fast learner. My memory is poor, so having the book I can look up things I don't do repeatedly.

The first reading is confusing...however after using Windows 7 for awhile the book is taking on new meaning...I'm spoiled by Windows XP but I am determined to get the hang of 7 or die trying!

Clear explanation that I can do at my leisure

I would love a book about moving from Windows XP to Windows 7. I knew XP inside and out. I am finding Windows7 frustrating. The book is somewhat helpful.

Was pleased with how it has helped.

Easy to read and understand especially novices.

Very informative for us old guys.
