Customer Reviews

The New England Gardener's Book Of Lists provides gardeners in the states of Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont everything they need to know about in order to have a successful gardening experience and create a beautiful, climate appropriate garden. New England gardeners must learn to deal with acid soil, harsh winters, short growing seasons, and more. In The New England Gardener's Book Of Lists, Karan Cutler offers her own personal experience abetted with advice from several other New England Gardening experts to provide features and lists on choosing appropriate annuals, biennials, perennials; tending bulbs, roses, shrubs, and vines; selecting trees, native plants, ferns, grasses and groundcovers, and more. A

compendium of fact-filled features an informative lists, The New England Gardener's Book Of Lists is organized by plant type and categorized by zones. No New England gardener should proceed to cultivate a garden without first reading through The New England Gardener's Book of Lists!

I love this book! It is simply a book of lists, but what a great starting point! I've used similar books for other regions and consider it a "must have" for the serious gardener.

If you live in new England you have to have this to keep color in your garden YEAR ROUND

A great buy for gardeners. Definitely take it to the nursery with you.
