Mama Wears Two Aprons: Women In Farming And Farm Marketing

Synopsis

Women were not invented until the 1950s. Or so it seems to the archival reader, searching for accounts of early farm women. Primary sources, however, reveal a different picture. At the heart of every successful farm was a woman. In this unique history, Margaret Coleman explores women farmers in Montgomery County, Maryland, from the early days to the present.

Book Information

Paperback: 136 pages
